Hi Cindy-

When you get a chance can you review the changes I made to the TSD and the notice concerning the emission reductions, etc.? The new excel spreadsheet for your emission reduction is entitled "EmissionReductionAnalysis 4.18.16" and the new cost numbers are in "Draft Cost Analysis Numbers2 4.14.16".

Thanks!

Alexas

Alexas - I'm in Minneapolis right now for a methane detection thingy. Back in the office Wed. Can you give me a ring in case I forget?
